INVESTOR RELATIONS | JULY 14, 2026

Henkel

DISCLAIMER

This presentation contains forward-looking statements which are based on current estimates and assumptions made by the corporate management of Henkel AG & Co. KGaA. Statements with respect to the future are characterized by the use of words such as “expect”, “intend”, “plan”, “anticipate”, “believe”, “estimate”, and similar terms. Such statements are not to be understood as in any way guaranteeing that those expectations will turn out to be accurate. Future performance and results actually achieved by Henkel AG & Co. KGaA and its affiliated companies depend on a number of risks and uncertainties and may therefore differ materially from the forward-looking statements. Many of these factors are outside Henkel’s control and cannot be accurately estimated in advance, such as the future economic environment and the actions of competitors and others involved in the marketplace. Henkel neither plans nor undertakes to update any forward-looking statements.

This document includes – in the applicable financial reporting framework not clearly defined – supplemental financial measures that are or may be alternative performance measures (non-GAAP-measures). These supplemental financial measures should not be viewed in isolation or as alternatives to measures of Henkel’s net assets and financial positions or results of operations as presented in accordance with the applicable financial reporting framework in its Consolidated Financial Statements. Other companies that report or describe similarly titled alternative performance measures may calculate them differently.

This document has been issued for information purposes only and is not intended to constitute an investment advice or an offer to sell, or a solicitation of an offer to buy, any securities.

*Note:
All individual figures in this presentation have been commercially rounded. Addition may result in deviations from the totals indicated.
All figures – unless indicated otherwise – relate to FY 2025 (time reference of market share data may deviate). Updated in July 2026.*
