

# INNOVATION

**Shaping the future with our customers**

Henkel Investor & Analyst Day 2019

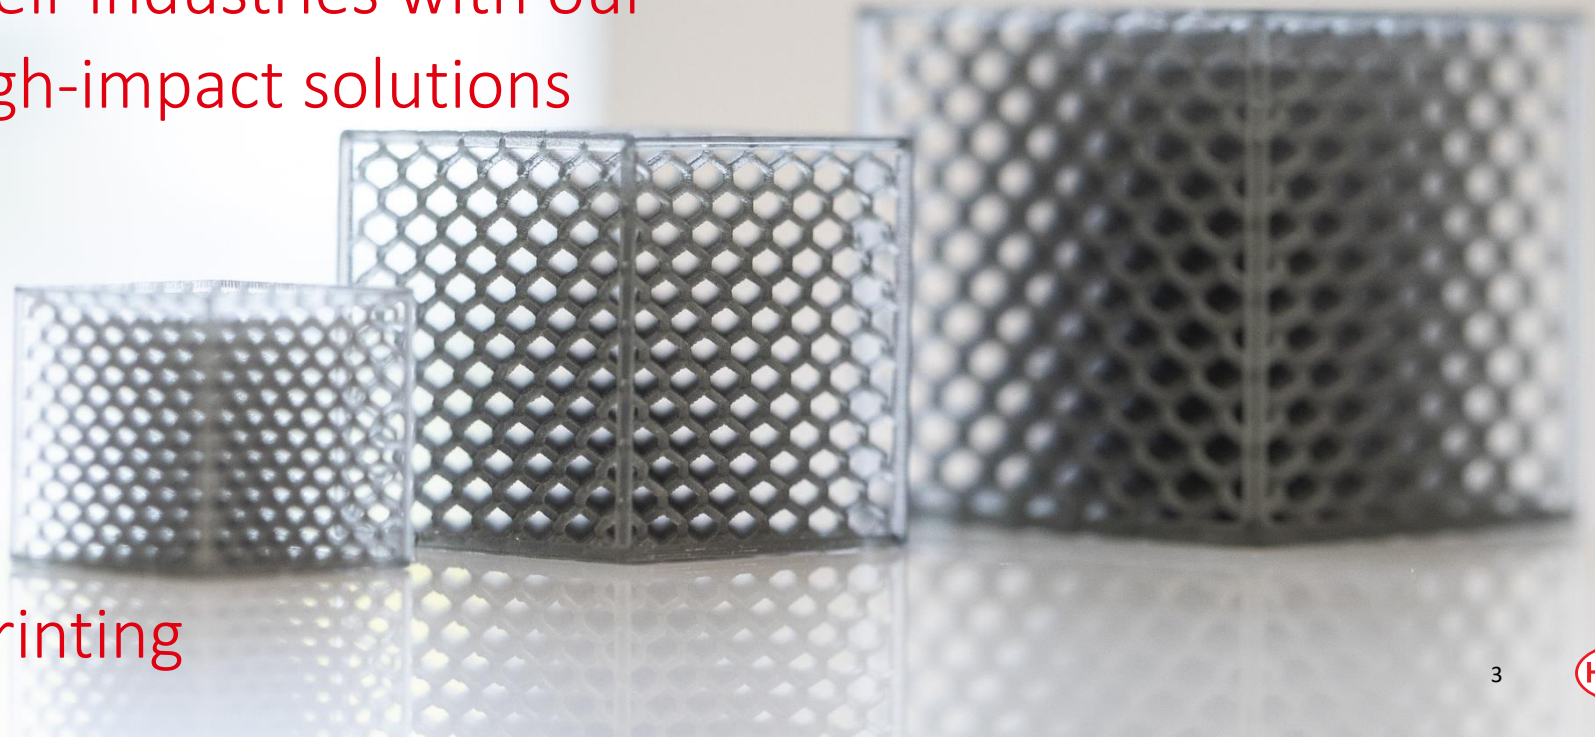

# Disclaimer

This information contains forward-looking statements which are based on current estimates and assumptions made by the corporate management of Henkel AG & Co. KGaA. Statements with respect to the future are characterized by the use of words such as “expect”, “intend”, “plan”, “anticipate”, “believe”, “estimate”, and similar terms. Such statements are not to be understood as in any way guaranteeing that those expectations will turn out to be accurate. Future performance and results actually achieved by Henkel AG & Co. KGaA and its affiliated companies depend on a number of risks and uncertainties and may therefore differ materially from the forward-looking statements. Many of these factors are outside Henkel’s control and cannot be accurately estimated in advance, such as the future economic environment and the actions of competitors and others involved in the marketplace. Henkel neither plans nor undertakes to update any forward-looking statements.

This document includes – in the applicable financial reporting framework not clearly defined – supplemental financial measures that are or may be alternative performance measures (non-GAAP-measures). These supplemental financial measures should not be viewed in isolation or as alternatives to measures of Henkel’s net assets and financial positions or results of operations as presented in accordance with the applicable financial reporting framework in its Consolidated Financial Statements. Other companies that report or describe similarly titled alternative performance measures may calculate them differently.

This document has been issued for information purposes only and is not intended to constitute an investment advice or an offer to sell, or a solicitation of an offer to buy, any securities.

We are enabling our  
customers to transform  
their industries with our  
high-impact solutions

#3DPrinting

With 3D Printing solutions we  
generate strong impact for our  
existing markets and customers

#customers

In 3D Printing, we are  
leveraging our core  
technologies and  
applications  
know-how

#technologies

We are building a 3D Printing ecosystem with strategic partners

#collaboration

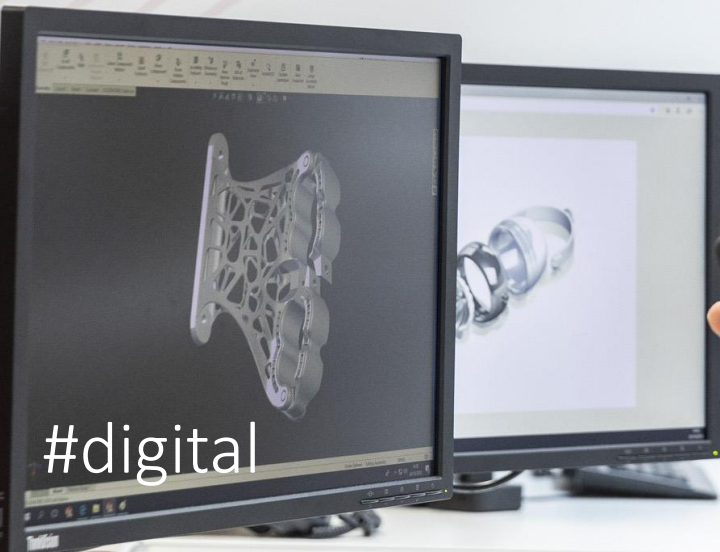

Our passionate 3D Printing  
teams shape the future

#experts

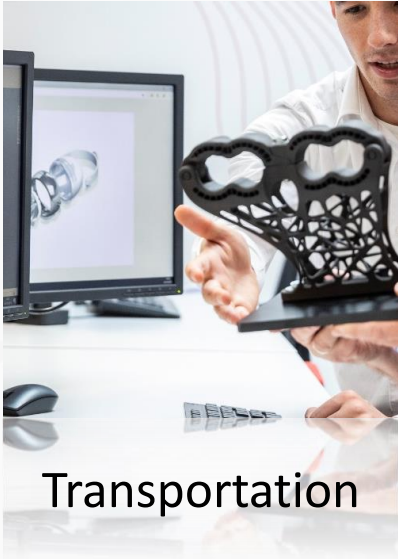

3D Printing is digital  
from design to  
manufacturing

#digital

# We create 3D Printing solutions for numerous markets

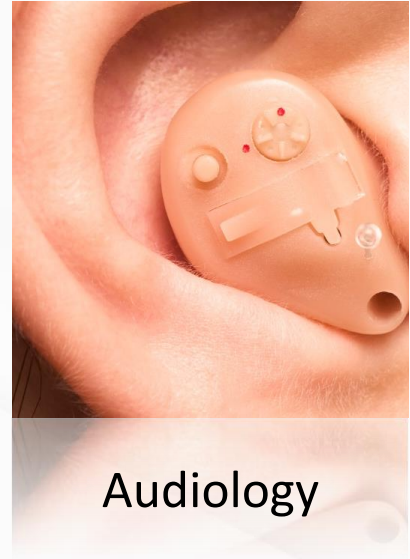

Transportation

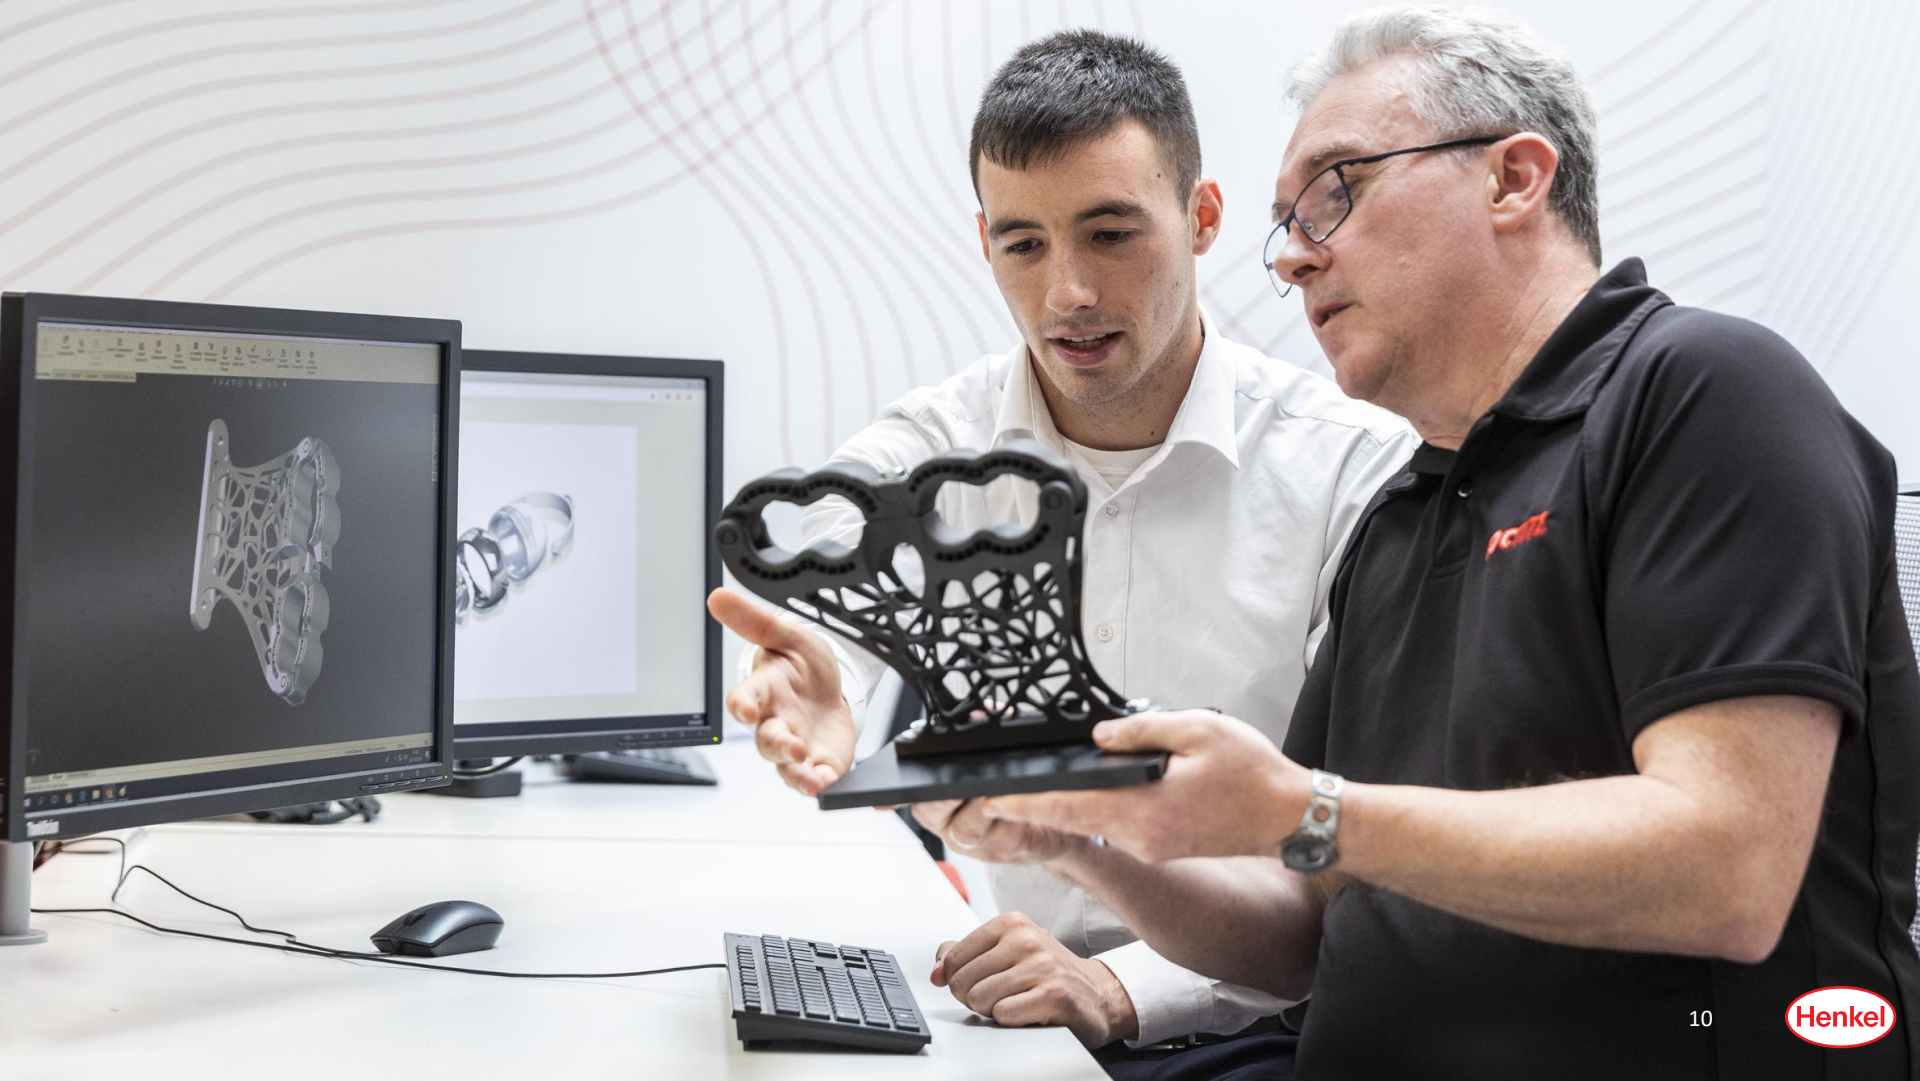

Aerospace

Dental

Audiology

We are global Innovation  
leaders because...

... we have the right **people, technology and application expertise**

... we understand the **needs of our customers**

... we excel in **digital and transformative solutions**

How we bring  
our Innovation  
to life ...
